Wed 25th Nov (10.30a.m–11.30a.m) - [Hunterhill Community Centre](#)

Physical play session

Children and staff attend Hunterhill Community centre to participate in a large physical play session. This allows the children to freely explore their body movements and develop new physical skills in a large open area. Play sessions are structured by staff to include a range of activities, movements and physical skills for the children to experience. Each session includes a **WARM-UP** exercise, a *Fast and Fun Physical Experience* and a relaxing **COOL DOWN**.

Mon 30th Nov – [St. Andrew's Day Extravaganza](#)

Children will be learning all about St. Andrew's Day and Scotland throughout the day in a wide range of activities from weaving to make tartan pictures, making their own loch ness monster, and also trying their hand at baking some traditional shortbread. There will also be a special Scottish snack and lunch on offer for the children to try. The day will end with a good old Scottish ceildh with staff, children and parents showing off their Scottish dancing skills.
